

## EM20 EXPANSION MODULE

The Alcatel-Lucent Expansion Module EM20 is a cost-effective desk phone accessory, which extends Alcatel-Lucent Myriad DeskPhone's functionality.

EM20 is specially designed for administration, receptionist, secretary and other customers who have more telephone services at the same time.

Taking the benefit of 20 built-in hard key, user can set different function associated with the hard key like speed dial, which improves the productivities a lot.

EM20 is fully compatible with Myriad M3/M5/M7 DeskPhone

### Technical Specifications
