

Alcatel-Lucent Enterprise EM200 Smart Expansion Module

The Alcatel-Lucent Enterprise SMART Expansion Module EM200 is a stylish desk phone accessory, which extends Alcatel-Lucent Enterprise Myriad DeskPhone's functionality.

EM200 is specially designed for administration, receptionist, secretary and other customers who have more telephone services at the same time.

Taking the benefit of 20 built-in hard keys and big color LCD with up to 10 virtual pages, users can set different functions associated with the hard keys like speed dial, which improves productivity a lot.

EM200 is fully compatible with M3/M5/M7 DeskPhone.
